Specification

Special notice for operations and supply chain. This is ADR-product, hazardous and flammable.

Product Description

Virucidal, alcohol-based hand disinfectant gel for application on the skin. Fragrance-free and contains no accumulating, long-term active substances that can become enriched on the skin and thus lead to skin irritation.

Silicone-free, soap-free, dye-free. Preservative-free, paraben-free, lipid-replenishing, skin-soothing and allergy-friendly. Dermatologically tested.

Toxicologically safe for children over 3 years of age.
